Syllabus

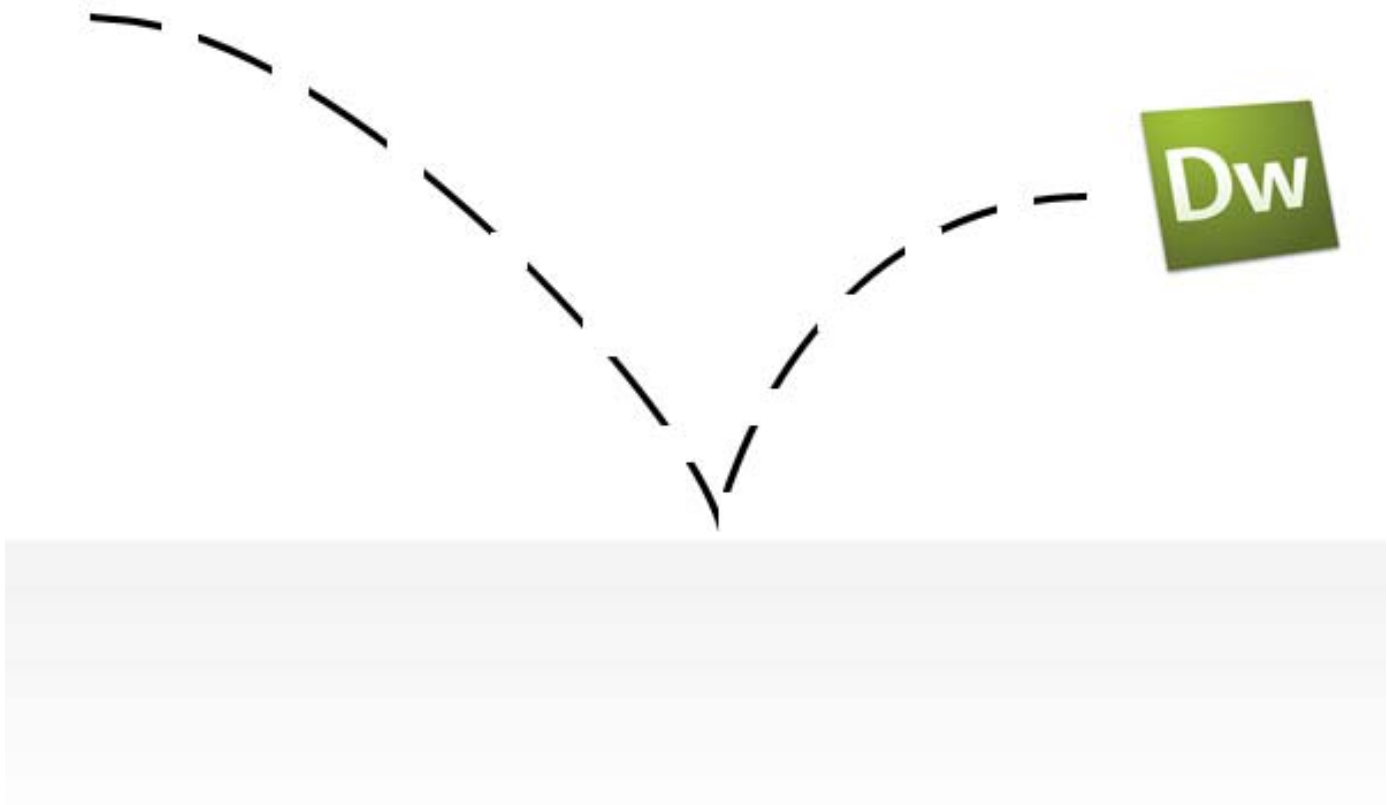

Misconceptions

**Web
Design**

fail

Notepad

Notepad++

Aptana Studio

Textmate

Coda

Its easy to make a
webpage

www.housingworks.org

then shut up

Its too hard to keep up with Web Design

Its always changing and there are
constantly new technologies to learn

Bullshit

If its on the
Internet then I
can use it

Prepare to die

Designer versus Developer

More Bullshit

You?

What is a webpage?

What is the Web?

What are the social
implications of the Web?

A moment on browsers

You

- Get out a piece of paper
- You have 30 seconds to draw a diagram describing the relationship between the following:
 - Server
 - Client
 - Browser
 - You
